Re: C00256354

Dear Ms. Reminsky:

This is in response to your letter of 11/27/2007 sent to Joan Christian, treasurer. That letter was received by her on 12/10/2007 and forwarded to me on 12/12/2007. I believe the Committee has now addressed all the concerns expressed in your letter.

#1. The issues (48-hour donors) in which 48-hour notices were correctly filed, (but were not additionally and redundantly entered on the contributor schedule except that FEC software doesn't automatically add 48-hour contributions to the general donor schedule) were added to the correct schedule and uploaded. The transmission was accepted by FEC.

#2. Regarding the additional debt needing explanation as to why certain debt was not submitted on the original post-election report, comments (audit adjustment) were added as memo text and uploaded. The transmission was accepted by FEC.

#3. The employer/occupation information that the Committee had on hand and could obtain, was added in the individual's database, resulting in only 16 people not having complete records for the period '04 - '07. Since the Committee records have been so totally and thoroughly ransacked due to repeated FEC requests, often for the same information, in an abundance of caution, the Committee re-sent stamped, self-addressed information request letters to all 16 individuals for which they could not add employer/occupation information. According to the FEC website, the Committee has a total individual donor base of 2630 individuals of which for the years 11/04 - 9/30/07 there are 16 individuals for which the employer/occupation information is incomplete. The additional information was uploaded. The transmission was accepted by FEC.

Sincerely,

J.M. Raffauf
